## GUIDELINE & APPLICATION FORM

### FOR **COMPULSORY SERVICE PRIVILEGES**

#### Please take note:

- a. The following information is provided to assist you.
- b. Please read these notes for guidance before completing the Application Form.
- c. You are expected to observe and comply with ALL the terms and conditions stipulated herein.
- d. Not adhering to any of the requirements may result in undue and unnecessary delay in processing your application.
- e. The Malaysian Medical Council will NOT be held responsible for any delay due to your non-compliance with the terms and conditions set herewith.

1. Pursuant to the **Medical Act 1971**, you are required to **register** with the Malaysian Medical Council to practice medicine in Malaysia;
2. Pursuant to **section 40** of the **Medical Act 1971**, **IMMEDIATELY** upon being conferred **Full Registration**, you are mandated to assume services within the **public sector** for a **continuous total** period of **NOT LESS than THREE years**.
3. Though government agencies are deemed public services according to Article 132 of the Federal Constitution, **section 41** of the **Medical Act 1971**, however, empowers the Director-General of Health to determine which public services where one can practice to complete his compulsory services. Due to current shortage of medical practitioners in the Ministry of Health (MOH), the Director-General **considers only services within the Ministry of Health** as fulfilling such legal requirement.
4. Hence, it is an offence (**section 40(2) of the Medical Act 1971**) if you do not comply with such requirement. Upon conviction in court, the Registrar is empowered to strike your registration off the Register (**section 40(3) of the Medical Act 1971**).
5. However, under **section 42** of the **Medical Act 1971**, the Honourable Health Minister may grant **reduction, exemption or postponement** from the period of service.
6. To avoid committing an offence, if you are unable or do not intend to complete the compulsory service, you can either apply for:
  - a. **reduction, exemption or postponement** from the Honourable Health Minister; or
  - b. **consideration** from the Director-General of Health for your services in any public sector as fulfilling the legal requirement.
7. The eligibility criteria are:
  - a. For **reduction** and **exemption**:

Both the **reduction** and **exemption** are usually considered for those who have served a certain period of time in the public sector or beyond certain age.

**You need to provide proof of services in public sector.**
  - b. For **postponement**:

Generally, **postponement** is considered for practitioners who need to leave MOH or other public services before the three-year period.

For practitioners without postgraduate qualifications wishing to join the academic sector before completing their services in the MOH, they should apply for a *postponement*. Usually the Honourable Minister of Health will approve the *postponement*.

*You need to enclose a copy of offer letter as proof.*

c. For *consideration*:

For those who possess postgraduate qualification and want to practise in the academic sector, they may apply for *consideration* from the Director-General of Health. Similarly, those who have been given commendation or promoted whilst in other public agencies may also apply for consideration.

However, only those who have applied and granted *postponement* by the Honourable Minister are eligible to apply for *consideration* to be backdated. Those who have never applied may only be considered for *consideration* from the application date.

*You need to attach a copy of a postgraduate degree, commendation or promotion letter as proof.*

8. However, please take note that:

- a. ALL the privileges under the compulsory services can **only** be considered if applications are submitted appropriately and timely;
- b. Application for *postponement* are **only** considered prospectively and **NOT** retrospectively;
- c. Application for *consideration* can **only** be considered retrospectively if the applicant practitioner has been previously approved for *postponement* by the Honourable Minister.
- d. Those granted *postponements* are **NOT** allowed to work in the private sector during the period.

9. For Malaysians practising abroad and intending to come back and serve Malaysia, they are eligible for *exemption* if they fulfil the following criteria:

a. For those **below 45 years**:

- they need to possess a rare specialty as determined by a Committee; or
- they intend to work as a lecturer in either a public or a private medical teaching institution.

b. For those **above 45 years**:

- they are eligible for total *exemption* notwithstanding whether they possess a postgraduate qualification or otherwise.
