SURAT PEKELILING KETUA PENGARAH KESIHATAN BIL. 12/1986

Penilaian Latihan Doktor-Doktor Siswazah

1. Tujuan

Surat pekeliling ini bertujuan mengenalkan sistem penilaian latihan doktor siswazah yang baru.

2. Latarbelakang

2.1. Kementerian Kesihatan telah mengkaji semula cara-cara latihan doktor siswazah dinilai pada masa ini. Setelah diteliti dan dibincangkan dengan pegawai-pegawai pakar, maka adalah diputuskan bahawa satu sistem penilaian yang lebih komprehensif dan berkesan perlu diadakan.

2.2. Sistem baru ini menggandungi dua cara menilai prestasi setiap doktor yang menjalani latihan doktor siswazah. Yang pertama adalah penggunaan buku log (log book) yang perlu disimpan dan disempurnakan oleh semua doktor yang menjalani latihan doktor siswazah. Tiga buku log telah disediakan iaitu Buku A bagi bidang perubatan/paediatrik, Buku B bagi bidang operasi/otopidik dan Buku C bagi bidang obstetrik & ginekologi. Buku-buku log ini menyenaraikan kemahiran-kemahiran yang perlu diperolehi oleh semua doktor yang menjalani latihan doktor siswazah dalam bidang-bidang yang berkenaan.

2.3. Cara kedua adalah penilaian yang lebih detail dan komprehensif oleh pegawai-pegawai pakar yang menjadi penyelia doktor-doktor yang menjalani latihan doktor siswazah, seperti tercatat dalam Buku D "Performance Appraisal Report For Medical Officer Pre-Registration Period". Pegawai-pegawai pakar akan menilai kemahiran setiap doktor, prestasi mereka dalam penyampaian kes-kes klinikal (clinical case presentation) serta sikap.

Melalui sistem penilaian yang baru ini adalah diharap latihan bagi doktor-doktor yang menjalani latihan doktor siswazah akan menjadi lebih sistematik dan seragam, dan penilaian keatas latihan tersebut akan menjadi lebih efektif.

3. Perlaksanaan

Sistem penilaian yang baru ini akan berkuatkuasa mulai 1hb Januari 1987. Ini bermakna doktor-doktor yang memulakan latihan doktor siswazah mereka pada atau selepas 1hb Januari 1987 akan menggunakan sistem baru ini.

... Panduan secara detail mengenai sistem penilaian cara baru ini ada dilampirkan. Satu naskah Buku-buku A, B, C & D dan Panduan ada juga diedarkan bersama surat pekeliling ini sebagai makluman. Dalam beberapa bulan yang akan datang pegawai dari Bahagian Latihan dan Tenaga Manusia dari Kementerian ini akan melawat semua hospital-hospital dimana latihan doktor siswazah dijalankan. Mereka akan memberi taklimat yang perlu kepada semua pegawai yang berkenaan. Sistem penilaian yang baru ini akan disemak dari semasa kesemasa supaya sebarang kelemahan boleh diatasi.

4. Borang 6 Akta Perubatan 1971

Oleh kerana Borang 6 diperlukan diisi dibawah Akta Perubatan 1971, borang ini hendaklah terus digunakan bagi tiap-tiap doktor yang telah tamat latihan doktor siswazah.
