**1. PENDAHULUAN**

Di masa yang lalu, kebanyakan ijazah lanjutan ini dikendalikan oleh universiti di luar negara. Namun demikian, pada masa kini, universiti tempatan telah berupaya mengendalikan banyak kursus ijazah hinggalah ke peringkat Doktor Falsafah (Ph.D) atau DrPH termasuk dalam bidang Kesihatan Awam. Selain dari itu terdapat perubahan bukan sahaja dari segi terminologi bidang atau disiplin perubatan berkenaan, malah jangkamasa kursus juga telah berubah, misalnya keperluan **minima empat (4) tahun latihan** dan sebagainya. Terdapat juga bidang baru yang telah diwujudkan dan bidang tertentu yang telah digugurkan atau digabungkan.
- 1.2 Kali terakhir semakan dibuat terhadap senarai ijazah lanjutan dalam bidang klinikal dan bidang Kesihatan Awam ialah pada tahun 2005 menerusi Surat Pekeliling Ketua Pengarah Kesihatan Bil. 2/2005.

- 3.2 Walaupun Pekeliling ini menyenaraikan ijazah lanjutan kepakaran yang dikemaskini, namun tatacara atau urusan pewartaan sebagai pakar mestilah dibuat mengikut **prosedur dan peraturan-peraturan** yang terkini yang ditetapkan oleh **Jawatankuasa Khas Perubatan** yang dipengerusikan oleh Ketua Pengarah Kesihatan Malaysia bagi membolehkan pegawai perubatan dan pergigian berkenaan dibayar elaun kepakaran yang berkaitan.

## 4. TARIKH KUATKUASA DAN PEMBATALAN
