

PRIMARY SOURCE VERIFICATION SERVICES

The Malaysian Medical Council is calling for agencies or vendors who are able to provide Primary Source Verification services. These services are for the verification of primary medical qualification, specialist medical qualifications and of all other related documents pertaining to the foreign medical graduates who apply for registration with the Malaysian Medical Council.

Interested parties may submit the company profile with details of services provided to the following:

Chief Executive Officer
Malaysian Medical Council
Jalan Cenderasari
50590 Kuala Lumpur
Malaysia

Thank you.
