## **BRIEF PROFILE \_DR FAZILAH BINTI SHAIK ALLAUDIN**

With over 25 years of experience in the Ministry of Health, Dr. Fazilah is presently the Penang State Health Director. She is responsible for all health-related matters in the State from strategic planning, implementation of policies, monitoring, surveillance, and enforcement. Prior to this, she was the Senior Deputy Director of Planning Division. She has also held various leadership roles in MOH and hospital. A significant portion of her career has been in policy & strategy for health system transformation agenda, and project management mainly Hospital Information Systems.

For over a decade, she has been leading digital health & innovation strategies and collaborations both locally and internationally. She often represents Malaysia at regional and global platforms in digital health including ASEAN and WHO.

In her previous role, she led the nationwide EMR project and the national agenda of Lifetime Health Record. Additionally, she drove policy and regulatory framework development in digital health & innovation.

During the COVID-19 pandemic, Dr. Fazilah led multiple teams in infection prevention & control, occupational safety & health, patient safety and mortality review. She too advanced the digital agenda within the nation's COVID-19 response

Dr. Fazilah holds an M.D. from the National University of Malaysia and an MBA in Healthcare Administration from the University of Toledo, Ohio. She is professionally certified in Enterprise Architecture (TOGAF 9.0) and in Governance & Management of Enterprise IT (COBIT 5.0).
