

STATEMENT REGARDING THE MINIMUM ENTRY REQUIREMENTS FOR THE MEDICAL UNDERGRADUATE PROGRAMME

Minimum Qualifications for Entry into a Medical Programme is a document which consists of the minimum requirements to enter a medical undergraduate programme.

This document is approved by the Ministry of Higher Education (MOHE) and all institutions of higher learning must comply with the minimum requirements for the purpose of enrolling students. However, all institutions have the autonomy to impose entry requirements above the minimum requirements set by the Ministry of Higher Education (MOHE).

If you would like to enquire regarding the requirements to enter a medical programme in Malaysia, kindly direct your enquiries to the **Ministry of Higher Education (MOHE)** AND to the **Higher Education Provider** of your choice.
