

GUIDELINES AND PROCEDURES FOR APPLICATION OF TEMPORARY PRACTISING CERTIFICATE

The Evaluation Committee of the Malaysian Medical Council is constituted under Section 4E of the Medical Act 1971 and *Regulation 23 of the Medical Regulations 2017* for the purpose of evaluation and registration of medical practitioners in accordance with the Council's power under section 4A (2)(d) of the Medical Act *which is "to approve or refuse any application for registration or certification in accordance with this Act or Regulations."*

All applications shall be submitted through the Medical Register Information and Technical System (MeRITS) (<https://merits.mmc.gov.my/>)

EVALUATION COMMITTEES

1. There shall be two Evaluation Committees established by the Council, i.e.
 - a) Evaluation Committee for Primary Medical Qualifications (ECPMQ/JKP1);
 - b) Evaluation Committee for Specialist Medical Qualifications (ECSMQ/JKP2).
2. Both Evaluation Committees shall **make recommendations** to the Council, which may affirm, reverse, or vary its recommendations, provided that the Council shall provide reasons, to be recorded, for any reversal or variation.

TEMPORARY PRACTISING CERTIFICATES (TPC)

- a) Registered medical practitioners outside Malaysia who intend to enrol in post-graduate courses, clinical attachment, receive or provide training, the duration of which is less than ONE (1) year, shall apply for TPC. If the intended duration exceeds one (1) year, applicants shall apply for full registration.
- b) TPC shall not be issued for employment purposes and should not exceed the total period of one (1) year.
- c) All TPC applications should be made by a supervisor who is a registered medical practitioner with a valid Annual Practising Certificate and who shall be responsible for the applicant.

MMC GUIDELINE FOR TEMPORARY PRACTISING CERTIFICATE

- d) A complete application shall be submitted at least six (6) weeks prior to the commencement of intended practice.
- e) The council may impose any conditions or restrictions on the practice of an applicant.

Eligibility Requirements:

- a) The applicants should be fully registered with a foreign Medical Council or Professional Licensing Authority in the country where they are currently practising;
- b) Applicants are certified to be of good standing by the current national medical regulatory authority or an equivalent certification deemed sufficient by the Council. All applicants shall ensure that letters of good standing are sent directly to the Council by the relevant medical authority from their last country of practice.
- c) All TPC applications shall have primary source verification certificate of the medical degree and postgraduate degree in the first instance by the Educational Commission for Foreign Medical Graduates (ECFMG), Dataflow, or any other organization approved by the Council. The onus is on the applicants to approach these organizations to undertake primary source verification at their own expense and for these organizations to send the relevant reports directly to the Council.
- d) Applicants shall provide evidence of professional indemnity cover for the period applied for.
- e) Applicants shall provide additional documentary evidence as required (Checklist: Application for Temporary Practising Certificate).

* Malaysian Medical Council reserves the right to consider any applications under exceptional circumstances.

Endorsed by the Malaysian Medical Council on 17th June 2025.
